PROFILE

I am a Computer Science student at Rajagiri School of Engineering, & Technology, currently serving as the Community Lead at RSET IEDC and a former Documentation SEED member. I possess strong skills in office tools, Python, SQL, C, and Project Management, with expertise in decision-making, communication, and team-building.

EDUCATION

B -Tech in Computer Science with Honors in Artificial Intelligence & Machine Learning 2022 - PRESENT
Rajagiri School of Engineering & Technology
CGPA: 9.01 / 10

Graduated 12th & 10th Standard 2019 - 2022
Carmel School Kuwait

EXPERIENCE

Community Lead - RSET IEDC (2025 - Present)

- Led a community outreach event at an ITI institute, sharing skill development workshops with students.
- Conducted a React workshop in collaboration with the Hive community, providing technical skills training to participants.

Documentation SEED - RSET IEDC (2024 - 2025)

- Managed and organized event folders, ensuring proper structure and accessibility of documentation for IEDC events
- Successfully planned, coordinated, and executed major events like Quest to Connect, Best Manager, Stills in Motion etc.

Volunteering - Abhiyanthriki 2023 & Confluence 2024

- Volunteered for the successful execution of Abhiyanthriki 2023, assisting in event operations and coordination.
- Supported Confluence 2024 by guest management and stage volunteering.
